1. Ted I am doing a new thing and no one will stop Me. I am doing a new thing and I am doing it in and with My people. Study My Covenant more—My new and Living Covenant—Me—even more, and bless Me and break Me and pass Me around to your people—your people—yours that I've given you—in Me, of Me, for Me, for them.

2. Oh confused ones who think I'm not moving in newness and in Ted and creating schools of schools—watch Me—if I am not in it, it will come to naught—and if it's of Me—you cannot stop it. You will see it, you who want to be—can be a part of it—faculty, curriculum-izers, buyers of land and builders of buildings—arise, come, speak forth, initiate and participate and spectator remain no more.

3. Today is the day, the time, now, today, now—even as Argentina enlarges the world of My servant, through Me, of My doing—enlarge the world of yourself, in Me, of Me, to Me, for Me, for you, by arising and initiating and doing what's in your heart.

4. Respect not the fears and intellectual challenges presenting themselves to you regarding My servant, My words, My schools—but see Me and see Me in them, and see Me in you doing what I have put in your heart—in freedom, freedom, freedom personified in leaders of campuses and schools of Me, where I teach and Freedom reigns, in Me, of Me, for Me, for you, for all of us.

5. Rejoice for My servant has stood—standing now, arising My words and what I am doing in My body intimately—significancing after confidencing after foundationing after delivering and making anew, refreshing, alivening, restoring—re-imaging Myself upon the tablets of each heart that will let Me, let Me, allow Me, and pay the price—in openness and transparency and transcending the mundane powerbrokers who always hold down.

6. Set your spirit free, in Me, for I am the way, the truth, and the life—no man cometh to the Father but by Me. And I am, I am, we are, one—and one will you be with Me if you respond to My continued plea to open to what I am now doing and ask you to do with Me, in Me, in Me, in Me, in Me, of Me, in Me.

7. I am life and I come to give life abundantly and I come now to give life abundantly and I abundance-ize you and all who will let Me.

8. Set free your gifts and callings and anointing by standing now—arising, initiating, and sitting on sidelines no more. Arise, take My hand and let Me arise you—arise—let Me apply My hands to your eyes, your heart, your place. Arise and see Me and walk with Me and shrink not back from the invitation I make to you today.

9. Say not—who am I to volunteer.

10. Say not—who am I to even stand up? Say not—I cannot aid God in this—these—new things. Say not—say not. Say I am, I can, I will—I offer—here I am Lord—use me and see what I do with the willing and obedient.

11. Oh freedom, oh freedom, oh delicacies from My table and relationship all over My big world.
